

# YOUNG MAN UNIVERSITY

## Look No Further than You!

We don't need the Klu Klux Klan,  
Young Brothers,  
Because now we have you,  
You carry out the crimes against our people,  
Just as they use to do.

We don't need Willie Lynch's Letters,  
Young Brothers,  
Because now we have you,  
To prove the effectiveness of his method,  
And to confirms that his words were true.

We don't need anyone to hate our people,  
Young Brother,  
Because now there is you,  
By your actions you say that you hate us,  
In a way that no one could ever do.
