

## **M&E**

Meet, Meet, Meet and Meet,  
Talking, talking then they eat,  
Without a solution for the streets,  
Just another “Meet and Eat”,

Meet, Meet, Meet and Meet,  
Everybody sign in on the sheet,  
We’ll be calling in about a week,  
To talk about the problems in the streets  
And to discuss what we’ll have to eat,

Another year since they started meeting,  
Lots of talking, and plenty of eating,  
So they start over with a new 52 weeks,  
All hell breaking loose out in the street,  
While they gather to, “Meet and Eat”
